Signature Burgers: The Heart of the Menu

At the core of the **Gourmet Burger Shop Gig Harbor menu** are the signature burgers. These are not your average fast-food patties. Each burger is built on a foundation of premium, never-frozen beef, sourced from local ranches when possible. The buns are fresh-baked, often brioche or a hearty artisan roll, providing a soft yet sturdy base for the generous toppings. The signature options range from savory and robust to light and refreshing.

One of the most popular items on the **Gourmet Burger Shop Gig Harbor menu** is the **Local Legend Burger**. This burger features a perfectly seared patty topped with aged cheddar, applewood-smoked bacon, and a house-made bourbon-infused barbecue sauce. The sweetness of the sauce complements the smoky bacon and rich cheese, creating a balanced and satisfying bite.

Another standout is the **Peninsula Prime**, which highlights the region's bounty with fresh foraged mushrooms, creamy truffle aioli, and melted fontina cheese, all on a toasted ciabatta roll.

For those who crave heat, the **Narrows Bridge Fire Burger** is a must-try. It packs a punch with jalapeño peppers, pepper jack cheese, and a chipotle-lime crema that cools the fire just enough. Each burger on the **Gourmet Burger Shop Gig Harbor menu** is carefully named, often paying homage to local landmarks and history, which adds a layer of charm and connection to the dining experience.

Build Your Own Burger: Customization at Its Finest

Beyond the signature creations, the **Gourmet Burger Shop Gig Harbor menu** offers a comprehensive "Build Your Own Burger" option. This section empowers diners to become chefs, selecting from a wide array of proteins, cheeses, toppings, and sauces. The protein choices go beyond beef, including all-natural chicken breast, a hand-pressed turkey patty, a black bean and quinoa vegetarian patty, and even a wild-caught salmon fillet for a lighter, oceanic twist.

The cheese selection on the **Gourmet Burger Shop Gig Harbor menu** is impressive, featuring classics like sharp cheddar and Swiss, as well as more adventurous options like crumbled blue cheese, smoked gouda, and creamy brie. Toppings are equally diverse, ranging from fresh arugula and heirloom tomato slices to crispy onion strings and sautéed wild mushrooms. Sauces are house-made, including a tangy sriracha mayo, herb-infused ranch, and a classic thousand island. This level of customization ensures that every visit to the Gourmet Burger Shop yields a unique meal tailored to individual tastes.

Chicken, Salads, and More: Variety Beyond Burgers

While the burgers are the stars, the **Gourmet Burger Shop Gig Harbor menu** ensures that non-burger eaters are equally well-served. The salad section on the **Gourmet Burger Shop Gig Harbor menu** is far from an afterthought. The **Harbor House Salad** is a favorite, mixing crisp mixed greens with candied pecans, dried cranberries, crumbled goat cheese, and a balsamic reduction. Grilled chicken or salmon can be added to turn any salad into a hearty meal. For those seeking a plant-based option, the **Garden Wrap** is a vibrant choice, filled with hummus, roasted vegetables, and fresh greens, all wrapped in a spinach tortilla.
