The Background of Doreen Virtue and Her Oracle Legacy

Doreen Virtue was a prolific author and spiritual teacher who wrote more than 70 books on angels, chakras, psychic development, and spiritual healing. For many years, she was one of the most prominent figures in the angel therapy movement. Her **Healing With The Angels Oracle Cards** were first published in 1999 and quickly became a global phenomenon. The deck features original artwork by Michaela A. Ginakes, which depicts angels in serene, uplifting scenes. Each card carries a specific angelic message, such as “Release the Past,” “Healing,” “Trust Your Inner Voice,” or “Divine Love.”

While Doreen Virtue later transitioned away from the New Age movement toward Christianity, her earlier works, including this oracle deck, continue to be used by millions. The cards are not tied to any one religion; they emphasize universal spiritual principles of love, forgiveness, and hope. This makes them accessible to people from all walks of life who seek gentle guidance without dogma.

How to Use the Healing With The Angels Oracle Cards

Using an oracle deck is different from reading tarot cards. You do not need to memorize complex symbol systems or learn reversed meanings. Oracle cards are designed to deliver intuitive, direct messages. The **Doreen Virtue Healing With The Angels Oracle Cards** are especially beginner-friendly because the messages are written right on the cards, often with an uplifting phrase and an explanatory paragraph in the accompanying guidebook.

Here is a simple step-by-step approach to get you started:

Step 1: Create a Sacred Space

Find a quiet place where you will not be disturbed. You may light a candle, burn incense, or hold a crystal to help focus your intention. The goal is to quiet your mind and open your heart to receive angelic communication.

Step 2: Center Yourself with a Prayer or Intention

Before shuffling, take a few deep breaths. You can say something like: “I invite the angels to guide me through these cards. I am open to receiving the highest and most loving message for my highest good.” This sets a clear intention and invites the energy of love into the reading.

Step 3: Shuffle and Ask a Question

Hold the deck in your hands and focus on a question or an area of your life where you need guidance. You can ask about relationships, career, health, or simply say, “What do I need to know right now?” Shuffle the cards slowly until you feel a pull to stop.

Step 4: Select Your Cards

You may choose one card for a quick daily message, or three cards to explore past, present, and future. Some readers enjoy a five-card spread for more depth. Interpret the cards using your intuition and the guidebook’s explanations. The key is to trust the first thoughts, feelings, or images that come to you when you see the card.

Step 5: Journal Your Insights

Keeping a journal of your readings helps you track patterns and recognize how the messages apply to your life. Over time, you will notice that the angels often repeat certain themes, such as self-love, forgiveness, or healing, until you integrate the lesson.

The Unique Energy of This Deck: What Sets It Apart

There are many oracle decks on the market, but the **Doreen Virtue Healing With The Angels Oracle Cards** have a distinctive energy that many users describe as “pure light.” The artwork is soft and pastel-heavy, filled with angelic figures, hearts, flowers, and light. The messages are consistently positive and uplifting. Even when the cards address challenges, such as letting go of fear or healing a broken heart, the wording is gentle and encouraging.

Another distinguishing factor is the directness of the messages. Unlike some oracle decks that require deep symbol interpretation, this deck practically speaks to you. For example, if you draw the card “Faith,” the guidebook will say: “Believe in the unseen. The angels are asking you to have faith that everything is working out for your highest good.” There is no confusion about what the angels want you to hear.

The deck also includes cards for specific archangels, such as Archangel Michael, Archangel Raphael, and Archangel Gabriel. Drawing one of these cards indicates a particular angel is near you, offering protection, healing, or creativity.
